

## **Modulator Treatments for Cystic Fibrosis: Effectiveness and Value**

### **Key Stakeholder Organizations**

ICER has identified the following organizations as key stakeholders for its upcoming report on modulator treatments for Cystic Fibrosis. ICER will invite input from the following organizations, and welcomes suggestions from the broader community on additional organizations to add to this list. ICER often receives comments from individual patients and clinicians, and invites the public to submit recommendations for key stakeholders in these categories.
