We spoke with several additional experts in the preparation of this report. Of them, the following individuals have agreed to be identified as having spoken with ICER:

- **John Krystal, MD**, Professor of Psychiatry, of Neuroscience, and of Psychology, Yale University

To protect patient confidentiality, ICER does not routinely name individual patients or care partners who provided us with input and feedback. None of these individuals or organizations is responsible for the final content of ICER's report, and it should not be assumed that they support any part of the report, which is solely the work of the ICER team and its affiliated researchers. For a complete list of key dates and opportunities for input on this project, please visit [ICER's website](#).
